Standard Products - 1-Mile Well Radius Map.pdf   Standard Products - 1-Mile Well Radius Table.xls

Randy,

Here's a figure and table showing wells identified near the Standard Products site. Well types searched included: domestic, feedlot, industrial, irrigation, lawn and garden, pond/swimming pool, and public water supply. No public water supply wells are within 1 mile of the site. Plugged wells are not shown. If you have any questions or edits, please let me know.

Thanks,  
Rob
